Re: *In re BP ERISA Litig.*, MDL No. 2185, Case No. 4:10-cv-04214

Dear Mr. Kravitz and Ms. Feldman:

On behalf of the BP Defendants in the above-referenced action, pursuant to the Stipulation Governing Discovery (“Stipulation”) the BP Defendants are providing the materials described herein. The BP Defendants will provide via FTP transfer to Mr. Kravitz this evening documents numbered BPGOM ERISA 000001- BPGOM ERISA 003801. Please note that provision of such documents does not constitute a representation that any given document is or may be relevant to this litigation or is an ERISA fiduciary communication. Provision of such documents also does not constitute a representation that any given document is an “instrument under which the plan is established or operated,” insofar as portions of the included materials fall outside the scope of ERISA § 104(b)(4).

Defendants are also providing as Appendix A hereto a list of members of the Savings Plan Investment Oversight Committee (“SPIOC”) and Designated Officers of BP p.l.c. for the period agreed to in the Stipulation. The provision of this information does not constitute a representation that any individual listed on Appendix A is or may be a proper defendant in this action.

Mr. Kravitz and Ms. Feldman
